LOCATION OF INCIDENT, CITY STATE ZIP E 16TH ST, NATIONAL CITY, CA 91950 (Occurred off dirt road 2700 East 17th Street)						

### SYNOPSIS:

National City Police Officers contacted JESUS GUSTAVO LEOS (022585) inside a Chevrolet pickup truck, trespassing, while parked in the southern portion of the property located at [REDACTED] East 16<sup>th</sup> Street. At the time officers contacted LEOS, a routine computer check for wants and warrants revealed he had two active felony arrest warrants and was considered to be armed and dangerous. LEOS resisted officers as they were trying to detain him. LEOS placed the truck in reverse and struck Officer McGough knocking him to the ground. Several shots were fired at LEOS by Officer Cornejo as LEOS dragged Officer McGough with the vehicle along the ground.

After a search, LEOS was located in the northwest section of the La Vista Memorial Cemetery 3191 Orange Street. He sustained a gunshot wound to his right arm and was transported to Mercy trauma center via AMR unit #416.

### ORIGIN:

On Thursday, April 16, 2015, at about 0751 hours, Officer Cornejo #427 and McGough #448 were dispatched to investigate reports of a person or persons sleeping inside a vehicle located to the rear of [REDACTED] East 16<sup>th</sup> Street (actually accessed off 2700 E. 17<sup>th</sup> St). Officers arrived on scene at about 0825 hours.

### INVESTIGATION:

At the time the officers were dispatched to this radio call, I was at the police station preparing to respond to another radio call. I monitored radio transmissions between National City Police communications and officers on scene that the male they had contacted (Jesus Leos 02/25/85) was armed and dangerous and had active felony warrants for his arrest. Officer Cornejo requested additional units/officers respond to assist them, at about 0831 hours. It appeared to me there was great urgency in Officer Cornejo's voice. Shortly afterwards, at approximately the same time, (0831 hours), Officer Cornejo radioed that gunshots had been fired and that an officer was down.

As I was responded to the scene [REDACTED] I heard Officer Cornejo broadcast the suspect was a Hispanic male with tattoos who had fled in a black pickup truck. He radioed further the male was accompanied by a Hispanic [REDACTED] and small [REDACTED]. Cornejo also transmitted the suspect vehicle had driven south from the scene and would not be able to travel too far due to the truck now having a flat tire.

As I was responding to the area, other responding officers were checking the area south of the scene in attempt to locate the suspect. I heard multiple officers responding to the area where the suspect was last seen so I continued to respond to the scene of the officer involved shooting.

I arrived and found both Officer Cornejo and Officer McGough at the foot of what seemed to be a dirt driveway/pathway that leads from 2600 East 17<sup>th</sup> Street to the rear of [REDACTED] East 16<sup>th</sup> Street. As I arrived, I saw Officer McGough seated on an embankment (east side of the driveway) and Cornejo standing over him. I approached the two, and I noticed that McGough's uniform was disheveled and he appeared disoriented.

Officer Cornejo told me he discharged his firearm at the suspect as he was dragging Officer McGough with his vehicle. I spoke with Officer Cornejo and obtained a public safety statement as to what occurred prior to him discharging his duty handgun. Cornejo told me the following:

ADDITIONAL CODE SECTION(S) PC 245C - ADW on a Peace Officer/Firefighter - not with a firearm; PC 69 - OBSTRUCT/RESIST EXEC OFFICER						
LOCATION OF INCIDENT, CITY STATE ZIP E 16TH ST, NATIONAL CITY, CA 91950 (Occurred off dirt road 2700 East 17th Street)						

*At the time Officer McGough contacted LEOS and attempted to detain him, LEOS started the ignition of the truck and placed the vehicle in reverse. McGough [REDACTED] his [REDACTED] and LEOS continued to back out knocking McGough to the ground. This prompted Cornejo to fire [REDACTED] in southern direction causing the [REDACTED] (passenger side) [REDACTED]. Seeing that McGough was now being drug by LEOS, Cornejo fired [REDACTED] to [REDACTED] rounds at LEOS as the suspect backed out and fled the scene by heading east and then south.*

At about 0836 hours, Officer Stevens located the Chevrolet Silverado that was driven by LEOS in the yard of [REDACTED] Fenton Place. The Chevy truck vehicle identification number [REDACTED] was reported stolen to San Diego Sheriff's on February 10, 2015 (via case # [REDACTED]).

At about 0843 hours, National City Fire Engine #31 and AMR Unit #495 arrived on scene to assess Officer McGough's injuries. Investigations Lieutenant Rounds arrived on scene at about this same time. Paramedics removed Officer McGough's uniform shirt, duty vest and gun belt to further evaluate his injuries. I took custody of these items and later returned them to McGough with the exception of his uniform shirt. I noticed a dirt pattern on the chest and rear right shoulder of his uniform. Using my digital cell phone camera I took approximately 10 pictures of Officer Mc Gough and his injuries. Seven (the best of 10) of these photographs were printed and impounded as evidence.

Officer McGough was transported Kaiser Permanente via AMR Unit #495. Sergeants P. Bull and M. Smith arrived on scene at about 0902 hours. Sergeant Smith transported Officer Cornejo to the station. LEOS was admonished of his Miranda rights by Detective Depascale at about 1835 hours, on April 16, 2015. For further details please refer to the investigative reports from Detectives DePascale and Zeferino. Witness statements were obtained by Officers Ramirez, Adams, Sakamoto, and Stevens. For further details, please refer to their reports.

At this time, I was able to apply crime scene tape around the interior crime scene as told to me by Officer Cornejo. Detectives Depascale, Ballardo, Gonzalez along with Lieutenant Fifield arrived on scene at about 0932 hours. At about 0942 hours, I briefed National City Police Detectives on the information I had received from Officer Cornejo.

Detective Ballardo conducted a follow up interview at [REDACTED] regarding the initial call of the suspicious vehicle. Ballardo was given a tan tactical type canvas bag that contained a box of 50 unexpended 357 Magnum ammunition. According to Ballardo, this bag with ammunition was found the day prior in the same spot LEOS was parked when contacted by NCPD officers on April 16, 2015.

From 0952 hours until 1010 hours, I monitored the persons who entered or left the crime scene. From this time, personnel who entered the scene were Detective Gonzales, Officer S. Gil and Property Evidence Specialist A. Flores. The eastern end of the crime scene was secured and monitored by Officer Taylor.

**DETECTIVE'S SUPPLEMENTAL:**

On Thursday, April 16, 2015 at about 0845 hours, I was attending training with Detective Fernando in El Cajon when we received a telephone call from Sergeant Smith. Sergeant Smith told us to respond to National City to assist in an officer involved shooting investigation. I was instructed to respond to the crime scene located in the area of E. 17<sup>th</sup> Street and Lanoitan Avenue.

As I responded to the scene, I could hear over the police radio that officers were still actively pursuing the suspects involved in the incident.

When I arrived on scene, several NCPD Detectives were already there receiving a brief from Corporal Wilkins. I learned that Officer McGough and Officer Cornejo responded to a radio call of a suspicious vehicle in the area of 2700 E. 17<sup>th</sup> Street. Officers made contact with the occupants of the vehicle: a male driver, [REDACTED] front passenger and a [REDACTED] in the backseat.

Officer McGough contacted the driver identified as, Jesus Leos. A records check was conducted on Leos which revealed he had an active felony warrant for his arrest. Officers attempted to detain Leos but he failed to comply with their orders.

Officer McGough [REDACTED] his [REDACTED] to prevent Leos from escaping. Leos was able to place the vehicle in reverse and backed out of the area. As Leos backed out he hit Officer McGough with the vehicle. Fearing for Officer McGough's safety, Officer Cornejo discharged his firearm at Leos. Leos still refused to stop and continued to back out and eventually fled the scene.

Detective Depascale was assigned as the lead detective in the investigation. Detective Depascale assigned me to interview Officer Cornejo who was waiting at NCPD. I responded to NCPD. Upon my arrival, Officer Cornejo was waiting for his legal representative inside the detective bay conference room.

By this time, officers had located and arrested the suspect, Jesus Leos. Leos vehicle a dark blue Chevrolet Silverado was left at the rear of [REDACTED] Fenton Place. Leos then fled on foot and was located at the La Vista Cemetery, 3191 Orange Street. Officers also located the [REDACTED] and the [REDACTED] at [REDACTED]. The [REDACTED] was identified as, [REDACTED] and the [REDACTED] was [REDACTED] (DOB [REDACTED]).

Task Force Officers (TFO) Hernandez and Webb responded to [REDACTED] and contacted Young. Young said [REDACTED] was picked up at Fenton Place by [REDACTED] and [REDACTED] of [REDACTED]. [REDACTED] then took [REDACTED] and their [REDACTED] back to his house at [REDACTED]. TFO Hernandez obtained an initial statement from [REDACTED] and TFO Webb interviewed [REDACTED].

Detective Depascale called me and asked me to interview [REDACTED]. I instructed TFO Webb to have [REDACTED] transported to the station so [REDACTED] could be interviewed. TFO Webb told me [REDACTED] would provide [REDACTED] with a ride to NCPD.

At about 1038 hours, [REDACTED] and [REDACTED] arrived at NCPD. I escorted [REDACTED] into interview room B. [REDACTED] was visibly upset and did not want to be left alone in room. [REDACTED] was extremely emotional and had to take several breaks during the interview.

My interview with [REDACTED] was audio/video recorded. I later downloaded the recording onto a compact disc and impounded the disc into evidence at the NCPD Property and Evidence room. The following is a synopsis of [REDACTED] interview, for the complete interview refer to the compact disc.

#### STATEMENT OF [REDACTED]

[REDACTED] and Jesus Leos started dating around January 2015. [REDACTED] told me Leos went by the nickname/moniker of "GooGoo" and was from the Acre Boys Street gang. Early in their relationship Leos was really nice and good to [REDACTED]. After spending time with Leos, [REDACTED] started to notice that his behavior changed whenever he used crystal methamphetamine. Leos was also extremely jealous.

On Tuesday, April 14, 2015, at about 1600 hours, [REDACTED] met up with Leos at his [REDACTED]'s [REDACTED]'s house, located at [REDACTED] and Leos went to El Toyon Park in National City. While [REDACTED] played in the park, [REDACTED] talked to Leos about ending their relationship. Leos did not want to end the relationship.

Around 2000 hours, they left the park and Leos was supposed to take [REDACTED] to meet up with [REDACTED]. Leos refused to drop [REDACTED] off and kept driving around. While Leos was driving around and arguing with [REDACTED] was able to call [REDACTED]. [REDACTED] didn't speak with [REDACTED] but left the phone on so he could hear what Leos was saying. After about a minute, [REDACTED] hung up the phone.

Leos was not aware that [REDACTED] had called [REDACTED]. [REDACTED] tried calling [REDACTED] back but [REDACTED] couldn't answer the phone. [REDACTED] tried to text their location to [REDACTED] but he kept calling interrupting the text message. Leos eventually noticed [REDACTED] messing with the phone and thought [REDACTED] was trying to call the police so he took [REDACTED] phone away.

For the remainder of the evening, Leos just drove around erratically through Lincoln Acres. Leos was speeding, running stop signs and traffic lights. Whenever they did stop at a light, [REDACTED] looked around trying to find someone that could get [REDACTED] help. Leos noticed what [REDACTED] was trying to do and moved into the side streets.

At one point Leos was driving at a slow speed on an unknown side street. [REDACTED] opened the door and tried to jump out of the vehicle. Leos immediately stopped the car and put in reverse causing the door to shut on [REDACTED] foot. Leos told [REDACTED] "You think you're gonna leave me?" Leos then drove to an unknown dirt road and parked the vehicle. [REDACTED] was so tired of arguing with Leos that [REDACTED] moved into the back seat and went to sleep with [REDACTED].

On Wednesday, April 15, 2015, at about 0700 hours, Leos gave [REDACTED] phone back and dropped [REDACTED] off at [REDACTED] friend, [REDACTED] house, located at [REDACTED]. Leos also knew someone in the area so he went to his friend's house.

At about 2000 hours, Leos picked up [REDACTED] from [REDACTED] friend's house. [REDACTED] only got back in the truck because [REDACTED] and [REDACTED] had their belongings in the back of the truck. Leos agreed to drive [REDACTED] to [REDACTED]'s house, located at [REDACTED]. Leos pulled into the driveway and [REDACTED] stepped out of the car. Leos then put the truck in reverse. [REDACTED] thought Leos was trying to leave with [REDACTED] so [REDACTED] jumped back inside the truck.

Leos backed out of the driveway and parked on the street in front of the house. [REDACTED] asked Leos to please get [REDACTED] belongings out of the bed of the truck. Leos agreed and stepped out of the truck. [REDACTED] grabbed [REDACTED] and was sitting on the front passenger seat with the door open and [REDACTED] feet hanging out. Out of nowhere, Leos ran in the truck and drove off.

[REDACTED] then told Leos to drop [REDACTED] off at [REDACTED] house, located several houses down at [REDACTED]. Leos drove around in front of [REDACTED] house but never stopped to let [REDACTED] and [REDACTED] out. [REDACTED] said [REDACTED] and his family were outside and could see them driving by.

[REDACTED] said they eventually just drove around again similar to the night before. [REDACTED] tucked [REDACTED] head into [REDACTED] sweater and sent [REDACTED] a text message stating where [REDACTED] was at. Leos saw [REDACTED] texting and took [REDACTED] phone away. [REDACTED] was exhausted of dealing with Leos so [REDACTED] tuned him out and fell asleep.

On Thursday, April 16, 2015 at about 0100 hours, [REDACTED] woke up to Leos driving into a dirt alley (2700 block of E. 17<sup>th</sup> Street). Leos parked the truck off the alley facing northbound. By this time [REDACTED] was tired of trying to convince Leos to let [REDACTED] and [REDACTED] go so [REDACTED] just went to sleep.

At about 0800 hours, [REDACTED] woke up to a police officer talking to Leos on the driver side of the vehicle. The officer was asking Leos questions regarding his name and what they were doing there. The officer explained that people usually park in the area to "shoot up." The officer asked Leos if he was smoking or something. Leos admitted to smoking marijuana. Leos continued talking to make it seem like everything was okay because he knew about the warrant for his arrest.

The officer then stepped away from Leos and started talking into his police radio. The second officer who was standing outside [REDACTED] door asked [REDACTED] for [REDACTED] name. Leos then told [REDACTED] he loved [REDACTED] and grabbed [REDACTED] hand and kissed it. [REDACTED] pulled [REDACTED] hand away and Leos asked [REDACTED] "What do I do?"

Leos was looking at the mirrors and the officers. [REDACTED] believed Leos was trying to figure out how he was going to escape. The night before, Leos told [REDACTED] if the police tried to stop him he was going to be in a high speed chase.

Leos reached for the ignition and the officer next to him pulled out his [REDACTED] and pointed it at Leos. The officer told Leos, "Don't do it, don't do it, we are going to [REDACTED] you." Leos didn't comply with the officer's orders and turned on the truck and started backing up. The officers yelled at Leos saying they were going to [REDACTED] him. Leos shouted back, "Please, please, I didn't do anything wrong."

[REDACTED] was so scared because one officer had a [REDACTED] out and the other officer had his actual gun out. [REDACTED] was worried about [REDACTED] so [REDACTED] reached back and held him. While the officers were trying to stop Leos, [REDACTED] yelled to the officers to, "Please help me."

The officer [REDACTED] Leos and he fell out of the truck. [REDACTED] believes the officer might have opened the driver door and that's caused Leos to fall out. Leos maintained one arm on the door and was able to get back into the truck. That's when the other officer shot Leos in the arm. [REDACTED] jumped into the back seat and leaned over [REDACTED] covering him with [REDACTED] body.

Leos then crashed through a church fence and drove towards Granger Avenue. Leos was driving so fast over bumps that it caused [REDACTED] to bounce up in the air hitting the back of [REDACTED] neck and head on the inside roof of the vehicle.

Leos sped down Granger Avenue almost running over some pedestrians who were crossing the street. When Leos reached the stop sign at Granger Avenue and E. 20<sup>th</sup> Street, he slowed down. [REDACTED] tried to open the door so [REDACTED] and [REDACTED] could get out of the truck. Leos reached back and pulled [REDACTED] by the hair. Leos said, '[REDACTED] please don't leave me. Okay, I'm going to stop right now, I'm going to stop right now."

When they reached the area of Granger Avenue and Fenton Place, Leos saw someone he knew riding a bike. Leos shouted something to the male in Spanish. [REDACTED] believed the male's name was [REDACTED].

Leos turned onto Fenton Place. Leos then crashed through a residential fence and drove into the backyard of the home. Leos told [REDACTED] "I'll see you soon" and jumped out of the truck and took off running.

[REDACTED] grabbed [REDACTED] and ran into a shed in the yard. [REDACTED] was crying and covered [REDACTED] and [REDACTED] in a blanket. [REDACTED] rocked back and forth trying to soothe [REDACTED]. [REDACTED] then called [REDACTED], [REDACTED] and asked [REDACTED] to pick [REDACTED] up.

[REDACTED] didn't know exactly where [REDACTED] was but told [REDACTED] was in the area of Fenton Place and Granger Avenue. [REDACTED] called [REDACTED] and told [REDACTED] to come out. [REDACTED] stepped out of the shed and saw a police vehicle. [REDACTED] looked for an officer but no one was near the police car. [REDACTED] then ran back into the shed. [REDACTED] was so scared and just wanted to hide inside the shed until someone found [REDACTED].

[REDACTED] told [REDACTED] to drive up Fenton until he saw the open gate and the police vehicle. [REDACTED] explained to [REDACTED] that [REDACTED] was hiding in a shed. [REDACTED] found [REDACTED] and they looked for a police officer but didn't see one. [REDACTED] then drove [REDACTED] and their [REDACTED] to [REDACTED] house.

[REDACTED] feared that Leos' friends would find out what happened and come after [REDACTED]. I told [REDACTED] to let me know if anyone makes any threats to [REDACTED].

#### INVESTIGATION CONTINUED:

[REDACTED] gave me consent to search [REDACTED] cellphone for information related to our investigation. [REDACTED] signed a consent to search form which I later impounded into evidence. I gave the cellphone to the Criminal Analysis Unit (D. Beauchesne). Due to some technical difficulty C.A.U. was not able to download the pertinent information from [REDACTED] cellular phone. C.A.U. did obtain several voicemails from Leos to [REDACTED] and downloaded the voicemails to a compact disc. I later impounded the disc into evidence at the NCPD Property and Evidence room.

I then provided [REDACTED] with a Marsy's Law pamphlet and the case number for this investigation. I also asked [REDACTED] if [REDACTED] wanted to speak with a Domestic Violence Response Team (DVRT) counselor. [REDACTED] said [REDACTED] just wanted to go home so I told [REDACTED] I would notify DVRT to respond to [REDACTED] house. I also notified Child Protective Services about the incident.

At about 1835 hours, Detective Depascale and I interviewed the suspect, Jesus Leos, at Scripps Mercy Hospital, San Diego. Detective Depascale documented Leos' statement. Our interview with Leos was audio

recorded. The recording was later impounded into evidence by Detective Depascale. The following is a brief synopsis of Leos' statement pertaining to his relationship with [REDACTED]. For further details regarding Leos' statement refer to Detective Depascale's supplemental report and the compact disc containing the recorded interview.

Around 2004 hours, I spoke to [REDACTED] via cellphone. [REDACTED] told me [REDACTED] had received a threatening text message on [REDACTED] cellphone. The text message was from telephone number [REDACTED]. Neither [REDACTED] nor [REDACTED] recognized the telephone number. I had [REDACTED] forward me the text message. The message stated, "U lil bitch ur time is coming hiding at ur [REDACTED] house aint gon do shit sweety. I would watch out if I was u." I told [REDACTED] if they received any more texts or calls to let me know.

#### STATEMENT OF JESUS LEOS: (SUSPECT)

Leos has known [REDACTED] for approximately five months. Leos and [REDACTED] started dating in February or March. Leos and [REDACTED] were not having any relationship problems. Leos said they argued like any other couple but they were not contemplating ending the relationship. The only problem they were dealing with was finding a place to live.

Leos did not prevent [REDACTED] from leaving at any time. Leos has never forced [REDACTED] to do anything against [REDACTED] will. Leos has told [REDACTED] to get back in his car at times but never grabbed/pulled [REDACTED] into the car or prevented [REDACTED] from leaving.

There were multiple times where if [REDACTED] wanted to leave him [REDACTED] could. Leos has driven [REDACTED] to [REDACTED]'s house on several occasions and [REDACTED] always changed [REDACTED] mind and didn't want to leave. Leos said [REDACTED] was just, "playing games" with him.

The night before the incident was one of those nights. Leos and [REDACTED] were having an argument and Leos told [REDACTED] if [REDACTED] didn't want to stay with him in the dirt alley he would take [REDACTED] home. [REDACTED] asked to be dropped off at [REDACTED]'s house so Leos drove [REDACTED] there. When they first drove past the house, [REDACTED] saw [REDACTED] outside and told Leos to keep driving. They came back later and Leos pulled into the driveway and [REDACTED] didn't want to get out of the truck. [REDACTED] said [REDACTED] loved him and did not want to be without him.

When Leos fled from the scene he never pulled [REDACTED] by the hair to prevent [REDACTED] from getting out of the truck. Leos said the entire time, [REDACTED] was saying [REDACTED] loved him and that he was shot in the arm.

#### INVESTIGATION CONTINUED:

On Friday, April 17, 2015 at about 1058 hours, I received a call from [REDACTED]. [REDACTED] was staying at [REDACTED] house located at [REDACTED]. [REDACTED] told me [REDACTED] had just stepped outside for some fresh air and received another threatening text message from the same number. The message said, "ABS all day long U fucked up boy I should put a round in u right now while ur sitting outside."

I am familiar with the acronym ABS and I know it represents the Acre Boys street gang. During this investigation I learned that Leos is a member of the Acre Boys street gang. I believed [REDACTED] was receiving these

texts in retaliation for cooperating with this investigation. I had [REDACTED] respond to NCPD so I could obtain the text messages directly from [REDACTED] phone and to attempt to relocate [REDACTED].

When [REDACTED] arrived at NCPD, I obtained [REDACTED] cellphone and asked Investigator DiZinno to download the phone's contents. Investigator DiZinno was able to forensically download the contents of the phone onto a compact disc. Investigator DiZinno later impounded the disc into evidence at the NCPD Property and Evidence room.

I looked through the text messages and confirmed it was received from [REDACTED]. I searched the telephone number on various law enforcement databases with negative results. [REDACTED] did not know who was sending [REDACTED] the messages but feared someone was watching [REDACTED].

Since [REDACTED] was in San Diego when [REDACTED] received the threats, SDPD was called to take a crime case for intimidating a witness. SDPD Officer Rodriguez #6801, responded to NCPD and interviewed [REDACTED]. I provided Officer Rodriguez with a printout containing the threatening text messages. Refer to SDPD Crime Case # [REDACTED] for further details concerning the crime case.

I asked [REDACTED] if [REDACTED] ever met with a DVRT counselor and [REDACTED] said [REDACTED] had not. I subsequently had a counselor respond to NCPD to speak with [REDACTED] and possibly place [REDACTED] in a shelter. DVRT Counselor [REDACTED] spoke with [REDACTED]. [REDACTED] offered to place [REDACTED] in a motel in [REDACTED]. [REDACTED] declined the motel because Leos and his friends used the motels in the area of National City and [REDACTED]. [REDACTED] feared someone would recognize [REDACTED] if [REDACTED] stayed at a motel.

I asked [REDACTED] if [REDACTED] had any family that lived out of the area. [REDACTED] told me [REDACTED] lived in [REDACTED] and [REDACTED] lived in [REDACTED]. I told [REDACTED] to call [REDACTED] family and see if [REDACTED] could stay with them. I told [REDACTED] in the mean time I would work on finding [REDACTED] a shelter. [REDACTED] agreed and wanted to be taken back to [REDACTED] house.

Detective Fernando and I drove [REDACTED] back to [REDACTED] house. We were in an unmarked vehicle and as we pulled into the driveway, [REDACTED] received the following text, "R.I.P." When we dropped [REDACTED] off Detective Fernando and I noticed someone standing outside Leos' house located at [REDACTED]. [REDACTED] family identified the male as Leos' uncle known as, [REDACTED]. The male was standing next to a silver [REDACTED] that was parked in the driveway. The [REDACTED]'s license plate was, [REDACTED].

I conducted a records check on the license plate. The records check came back to a 2005 [REDACTED] registered to [REDACTED] and [REDACTED]. [REDACTED] I also found a recent field interview dated February 6, 2015 that listed the vehicle associated with [REDACTED] (SDPD FI # [REDACTED]).

When Detective Fernando and I returned to NCPD, I received a forwarded text from [REDACTED]. The text said, "Dis is our hood u cant hide next time tell the cops they aren't slick ABS runs thing round here."

I contacted [REDACTED] and asked [REDACTED] if [REDACTED] spoke to [REDACTED] family. [REDACTED] told me [REDACTED] who lives in [REDACTED] was out of town. [REDACTED] was able to contact [REDACTED] in [REDACTED] and [REDACTED] was on [REDACTED] way to pick [REDACTED] up.

Several minutes later I received a call from [REDACTED]. [REDACTED] told me [REDACTED] was at [REDACTED] house but [REDACTED] was not coming out. I told [REDACTED] I would respond to the address.

I then received a call from SDPD Officer Rodriguez. Officer Rodriguez stated [REDACTED] had an active temporary restraining order against [REDACTED] (TRO# [REDACTED]). Officer Rodriguez was currently at [REDACTED] address and was going to arrest him for the violation of the restraining order. I explained to Officer Rodriguez I was responding to the address and would be removing [REDACTED] from the residence.

Detective Fernando and I responded back to the house. I spoke with [REDACTED] who told me [REDACTED] no longer wanted to go to [REDACTED]'s house. [REDACTED] said [REDACTED] was verbally abusive and did not want to deal with that. [REDACTED] could not explain why [REDACTED] had a changed [REDACTED] mind. I told [REDACTED] I was working on a shelter but [REDACTED] needed to leave right now because of the restraining order.

[REDACTED] said [REDACTED] called [REDACTED] friend, [REDACTED], and arranged to stay with [REDACTED]. I asked [REDACTED] why [REDACTED] would go to [REDACTED] house if that was where Leos had picked [REDACTED] up the night before the incident. [REDACTED] said [REDACTED] felt safe there.

I told [REDACTED] to grab [REDACTED] and belongings and I would take [REDACTED] to [REDACTED] house. Detective Fernando and I provided [REDACTED] with a ride to [REDACTED] house. As we were driving there, [REDACTED] received another text message stating, "Remember youngin you cant hide see u soon."

When I returned to NCPD, I contacted C.P.S. in an attempt to locate a shelter for [REDACTED] and [REDACTED]. C.P.S. told me they reserved a room for [REDACTED] at a domestic violence shelter. [REDACTED] just needed to contact the shelter and do a prescreening over the telephone. I called [REDACTED] and [REDACTED] said [REDACTED] would get a hold of the shelter and do the prescreening. I told [REDACTED] if [REDACTED] needed a ride to the shelter to contact NCPD or myself.

On Saturday, April 18, 2015, I spoke to [REDACTED], a case manager from the domestic violence shelter. [REDACTED] told me [REDACTED] passed the screening but had not checked into the shelter. [REDACTED] said [REDACTED] would hold a spot for [REDACTED] until Sunday.

On Sunday, April 19, 2015 [REDACTED] told me [REDACTED] contacted the shelter and arranged to check in on Monday. [REDACTED] requested a ride to the shelter so I told [REDACTED] I would give [REDACTED] a ride in the morning.

On Monday, April 20, 2015, at about 0709 hours, [REDACTED] told me a family member would be giving [REDACTED] a ride to the shelter. At about 0800 hours, I received a text from an unknown telephone number [REDACTED], stating, "[REDACTED] went to Walmart to meet up with the person sending messages face to face thinks [REDACTED] can stop them." I attempted to call the telephone number and [REDACTED] but was not able to reach either one. I left voicemail messages and sent text messages to both phones.

On Tuesday, April 21, 2015, at about 1530 hours, I was finally able to speak with [REDACTED]. [REDACTED] said [REDACTED] never met anyone at Wal-Mart. [REDACTED] said [REDACTED] went to [REDACTED]'s house which is by Wal-Mart. [REDACTED] said from [REDACTED]'s house [REDACTED] had a view of the place where they were supposed to meet. [REDACTED] said the person never showed up. I believe [REDACTED] was intentionally misleading me.

[REDACTED] also told me that [REDACTED] was not going to check into a shelter. [REDACTED] said [REDACTED] was fine and was going to stay with [REDACTED] family in [REDACTED]. [REDACTED] no longer wanted my assistance.

This concludes my involvement with this investigation.

NOTIFICATION

On 04-16-15 at approximately 0838 hours, I received a telephone call from Detective Sergeant M. Smith. Sergeant Smith told me to respond to the 2700 block of East 17<sup>th</sup> Street to investigate a call of "shots fired" with an officer down. I responded and arrived on scene at 0849.

**OFFICERS MCGOUGH AND CORNEJO SUSPICIOUS VEHICLE CALL**

On 04-16-15 at 0751 hours, NCPD dispatch received a call from [REDACTED] [REDACTED] lives at [REDACTED]. [REDACTED] reported that there was a vehicle in the "canyon" behind [REDACTED] house. [REDACTED] also referred to the canyon as 17<sup>th</sup> Street.

[REDACTED] told the dispatcher there had been a black pickup truck parked on 17<sup>th</sup> Street for two days. [REDACTED] believed people were sleeping in the truck and that one of the people might have been [REDACTED]. [REDACTED] has a restraining order against [REDACTED]. [REDACTED] called the day before (on 04-15-15) about the same issue, but when officers arrived the truck was gone.

Officer Cornejo was dispatched to the area to check on the truck. Officer McGough responded as well and arrived on scene at approximately 0823. Officer McGough approached the truck and gave a description of the vehicle over his radio. Officer McGough described the truck as a black Chevrolet Silverado with no license plates.

At 0825, Officer Cornejo arrived on 17<sup>th</sup> Street to cover Officer McGough. At 0827, Officer McGough ran a records check of [REDACTED] and Jesus Gustavo Leos (02-25-85).

Dispatch told the officers that Leos had a felony warrant for weapons related charges at 0831. At about the same time, Officer Cornejo requested more units to assist. Seconds later, Officer Cornejo broadcast that shots were fired and an officer was down. Officer Cornejo then gave a description of a blue truck that he said traveled southbound on Granger Avenue and was being driven by a Hispanic male with tattoos. Officer Cornejo further advised that the truck might have had a flat tire and was also occupied by a [REDACTED] passenger and an [REDACTED].

As minutes passed, Officer Cornejo continued to give updates on the description of the truck. Officer Cornejo advised responding units that the truck was a Silverado that had luggage in the back and rear tinted windows.

Officer Cornejo advised that Officer McGough had been run over by the truck.

Corporal Wilkins arrived on scene and advised that the incident was an officer involved shooting.

### INVESTIGATION

Prior to my arrival, at approximately 0834 hours, Officer Stevens was flagged at the intersection of Granger Avenue and Fenton Place. A citizen at this location told Officer Stevens a truck traveled westbound on Fenton Place at a high rate of speed.

At approximately 0836 hours, Officers located a truck fitting the description of the suspect vehicle in the back yard of [REDACTED] Fenton Place. [REDACTED] Fenton Place is approximately one half mile from the 2700 block of East 17<sup>th</sup> Street. Officer Stevens noticed a chain link fence at the perimeter of the yard that appeared to have been recently damaged and run over. The truck found by the officers is a dark blue Chevrolet Silverado with a "Kia of El Cajon" paper dealer plate affixed to the rear. A records check of the truck revealed it was reported stolen on 02-10-15 to the San Diego County Sheriff's Department (Case number [REDACTED]). The truck was unoccupied. Officer Stevens noticed the truck had blood on the driver's side seat.

Officers Stevens and Phillips SR. received information from citizens who said the person driving the truck ran southbound from the address on Fenton Place. Officer Sakamoto was on Ridgeway Avenue, which is south of Fenton Place, when he received a report from a citizen that a Hispanic male, approximately six feet tall with a bleeding arm, ran southbound from [REDACTED] Ridgeway Drive. The citizen further reported he saw the male with the bleeding arm run toward the La Vista Cemetery at 3191 Orange Street. Refer to the supplemental reports by Officers Sakamoto, Stevens, and Phillips Sr. for details concerning the initial patrol response and the finding of the Silverado.

I arrived at 2700 East 17<sup>th</sup> Street at 0849. The 2700 block of East 17<sup>th</sup> Street is a dirt road. Although there is no street sign at either inlet, the road is commonly referred to as 17<sup>th</sup> Street because it is between 16<sup>th</sup> Street to the north and 18<sup>th</sup> Street to the south. 2700 East 17<sup>th</sup> Street is accessed by Rachael Avenue to the east and Lanoitan Avenue to the west.

I parked my department vehicle on Lanoitan Avenue and walked eastbound toward the scene. The scene was located at a northbound/southbound turnabout, roughly halfway between Rachael Avenue and Lanoitan Avenue. The turnabout is north of, and perpendicular to East 17<sup>th</sup> Street.

When I arrived, Sergeant Smith was in the process of putting up crime scene tape. I saw paramedics walking toward an ambulance which was parked west of the entrance to the turnabout. Officer Cornejo was standing on East 17<sup>th</sup> Street near the mouth of the turnabout. Officer Cornejo was in the process of airing a suspect description. *Officer Cornejo described the suspect as a Hispanic male with a shaved head, unshaven with a mustache, with tattoos all over his arms, wearing a black tee shirt and blue jeans.*

Corporal Wilkins was on scene and in the process of putting a police officer's utility belt into the back of a police car. I asked Corporal Wilkins who the gun belt belonged to. Corporal Wilkins told me the belt belonged to Officer McGough. Corporal Wilkins had also collected Officer McGough's uniform shirt.

ADDITIONAL CODE SECTION(S)						
LOCATION OF INCIDENT, CITY STATE ZIP 2700 E 17TH ST, NATIONAL CITY, CA 91950						

I spoke with Sergeant Smith who assigned me to be the case agent. Sergeant Smith told me Officer Cornejo had fired his service weapon and that Officer McGough was being transported from the scene by paramedic unit #495 for injuries he had sustained during the incident.

Sergeant Smith drove Officer Cornejo to the police station at approximately 0901 hours. Detective Lieutenant Rounds was at the scene. Other NCPD Detectives arrived. We were given a briefing by Corporal Wilkins. Corporal Wilkins was the third officer to arrive at the scene and was the only patrol supervisor on scene when Officer Cornejo was present there. Corporal Wilkins received a safety statement from Officer Cornejo.

BRIEFING AT SCENE BY CORPORAL WILKINS:

Corporal Wilkins said Officer McGough and Officer Cornejo were dispatched to 2700 East 17<sup>th</sup> Street to check on a vehicle. Officer McGough arrived at the scene first and took the role of [REDACTED]. Officer Cornejo arrived at the scene second and took the role of [REDACTED].

Officer McGough and Officer Cornejo were standing next to each other at the driver's side door of the truck. The truck reversed and struck Officer McGough, who fell to the ground. Officer Cornejo saw Officer McGough get dragged by the truck. Officer Cornejo fired at the driver of the truck [REDACTED] times in a southern direction from the turnabout. The truck traveled eastbound on 17<sup>th</sup> Street then drove through a fence before traveling southbound.

I gave the following assignments to other NCPD detectives

- |                                     |  |
|-------------------------------------|--|
| Detective Ballard                   | -witness checks at [REDACTED] East 16 <sup>th</sup> Street       |
| Detectives Nagle and Di Zinno       | -witness checks around the perimeter                             |
| Detectives Garcia and Springer      | - process the Silverado and the scene at [REDACTED] Fenton Place |
| Detective Gonzales and CSS Flores - | - process the scene at 2700 East 17 <sup>th</sup> Street         |
| Detective Fernando                  | - meet with Officer McGough at the hospital                      |
| Detective Zeferino                  | - wait with Officer Cornejo at NCPD                              |

As I listened to my police radio, I heard multiple officers and deputies responding to La Vista Memorial Cemetery, located approximately one mile away from East 17<sup>th</sup> Street at 3191 Orange Street. At approximately 0927 hours, I heard Officer Adams say over her radio that she located a male who had been shot in his arm at the northwest corner of La Vista Cemetery. The shot male in the cemetery was later identified as Jesus Leos. Leos was found inside a storage shed. Media personnel were in the area and video recorded Leos being escorted out of the shed. When Leos was detained, he was heard apologizing by several officers. Channel 8 news captured audio and video of these apologies.

I asked Detectives Di Zinno and Nagle to stop their current assignment and to process the area where Leos was found at the cemetery.

Detective Ballard returned to scene 1 after talking to a witness. Detective Ballard was holding a green canvas bag that contained bullets. The bag was given to Corporal Wilkins by Detective Ballard to impound.

### STATEMENT OF CORPORAL WILKINS

I interviewed Corporal Wilkins at scene one. Corporal Wilkins was the first on scene supervisor and took Officer Cornejo's safety statement. I recorded the interview. Refer to the report by Corporal Wilkins for details concerning Officer Cornejo's safety statement.

#### STATEMENT OF CORPORAL WILKINS:

When Corporal Wilkins arrived on scene, he saw Officer Cornejo standing over Officer McGough. Officer McGough was seated on the ground and appeared "disoriented" and "shaken up."

Officer McGough and Officer Cornejo were near the mouth of the turnabout, about fifteen feet north of NCPD patrol vehicle #27.

Corporal Wilkins noticed Officer McGough's uniform was "extremely disheveled." There was dirt on the front of his shirt and pants. It looked like he had laid flat on the ground. Corporal Wilkins thought Officer McGough had been knocked to the ground or "scraped against" something.

Officer McGough did not make any statements. Officer Cornejo gave Corporal Wilkins a safety statement. The statement contained little detail and was taken primarily so Corporal Wilkins could find out how many shots were fired and in what direction.

INVESTIGATION CONTINUED

In addition to searching for the suspect, officers and detectives were on the lookout for the [REDACTED] passenger and [REDACTED] male that had been in the Silverado. At approximately 0941, Officer Sakamoto was flagged down by [REDACTED]. [REDACTED] told Officer Sakamoto [REDACTED] received a call from [REDACTED]. During the call, [REDACTED] told [REDACTED] was being held hostage by Leos.

Officer Sakamoto was then flagged down by [REDACTED]. [REDACTED] identified [REDACTED] as [REDACTED]. [REDACTED] received a call from [REDACTED] at 0836 hours. During the call, [REDACTED] told [REDACTED] had been involved in an accident near Granger Junior High school with a male.

Officer Sakamoto received information from the above witnesses that [REDACTED] house was two houses down from [REDACTED].

Detectives Hernandez and Webb responded to [REDACTED] where they located [REDACTED] and the father of [REDACTED]. [REDACTED] was visibly shaken but apparently uninjured. [REDACTED] also appeared to be uninjured. Detective Hernandez saw what appeared to be blood on [REDACTED] clothing so he collected it. [REDACTED] told Detective Hernandez that Leos falsely imprisoned [REDACTED] by not letting [REDACTED] get out of the truck. [REDACTED] told Detective Hernandez that Leos threatened to harm [REDACTED] and [REDACTED] by crashing the truck. [REDACTED] agreed to go to the police station for further questioning. Refer to the supplemental report by Detective Hernandez for further details.

While Detective Hernandez spoke with [REDACTED] Detective Webb spoke with [REDACTED]. [REDACTED] told Detective Webb he received a call from [REDACTED] at approximately 0855 hours. During the call, [REDACTED] cried hysterically and told [REDACTED] was hiding in a shed. [REDACTED] directed [REDACTED] to pick [REDACTED] up near the area of Fenton Place and Granger Avenue. [REDACTED] told [REDACTED] about what happened when [REDACTED] was with Leos. Refer to the supplemental report by Detective Webb for further details.

When [REDACTED] got to NCPD, [REDACTED] was interviewed by Detective Zeferino. Refer to the supplemental report by Detective Zeferino for details concerning Young's statement at NCPD.

I left scene one to observe scene two. I met with Detective Springer who was processing the crime scene. While I was there, I was flagged down by [REDACTED]. [REDACTED] lives at [REDACTED]. I am familiar with this address and know it to be associated with high gang and narcotics activity. [REDACTED] told me that "Goo Goos" [REDACTED] was calling [REDACTED]. I asked [REDACTED] who [REDACTED] was referring to when [REDACTED] said "Goo." [REDACTED] said something like, "It's the guy you arrested." I documented [REDACTED] statement.

INCIDENT NUMBER	SAN DIEGO REGIONAL OFFICER'S REPORT NARRATIVE				PAGE 9 OF 16	CASE NUMBER 1502213

ADDITIONAL CODE SECTION(S)						
LOCATION OF INCIDENT, CITY STATE ZIP 2700 E 17TH ST, NATIONAL CITY, CA 91950						

STATEMENT OF [REDACTED]

[REDACTED] is familiar with "Goo" because he has been to [REDACTED] house as recent as last week. Goo Goo's [REDACTED] wanted to know where police took him.

Earlier in the morning, [REDACTED] watched as a male picked up a [REDACTED] and small [REDACTED] on Fenton Place. The male told [REDACTED] that someone tried to kidnap his baby. The male that picked up the [REDACTED] was driving a burgundy Malibu.

After speaking with [REDACTED] I went to scene three. Detectives Nagle and Di Zinno were processing that crime scene. While I was at scene three, I was informed by Detective Sergeant Smith that Officer Cornejo wanted to do a walk-through of scene one.

I went back to scene one and met with Officer Cornejo and his representative. The walk-through was done at my request, and with Officer Cornejo's consent. The purpose of the walk-through was for Officer Cornejo to clarify positioning and the direction he shot his service weapon. Officer Cornejo's representative requested no questions outside of positioning and direction of shots be asked at the scene. Detective Gonzales, who was in charge of scene one, was present during the walk-through. Measurements were taken at the locations Officer Cornejo said he was standing when he fired. Officer Gonzalez later incorporated the measurements taken during the walk-through into a crime scene sketch.

I also learned during the walk-through that Officer Cornejo fired at the driver of the Silverado through the passenger's side window, not while standing at the driver's side as previously reported by Corporal Wilkins. I later asked Corporal Wilkins why he believed Officer Cornejo had been standing at the driver's side door. Corporal Wilkins told me he assumed Officer Cornejo was standing at the driver's side door. Officer Cornejo never told Corporal Wilkins he stood at the driver's side door of the Silverado. Corporal Wilkins assumed this because of where Officer Cornejo was standing while giving the initial safety statement. The scene walk-through with Officer Cornejo was audio recorded.

After the walk-through, I met with Officer Cornejo and his representative at NCPD. Officer Cornejo gave a detailed statement which was audio recorded. Refer to the supplemental report by Officer Fernando for details concerning this statement.

Officer Cornejo gave me his department issued firearm and three magazines. I examined the firearm, a [REDACTED] caliber (serial number [REDACTED]). I pulled the slide of the handgun back and saw there was a bullet in the chamber. I made the weapon safe by ejecting the bullet from the chamber and removing the magazine. The magazine was loaded with [REDACTED] bullets. Since Officer Cornejo's magazine held [REDACTED] bullets and there was [REDACTED] in the chamber (total of [REDACTED]), I knew [REDACTED] bullets were missing. I know a fully loaded magazine holds [REDACTED] bullets plus [REDACTED] bullet in the chamber equals [REDACTED].

I examined the two magazines that Officer Cornejo carried in his magazine pouches. Both of these magazines were fully loaded ([REDACTED] bullets) with duty ammunition.

Detective Garcia examined the [REDACTED] for modifications. Detective Garcia is a range master, firearms instructor, and a certified [REDACTED]. Detective Garcia found no modifications to the [REDACTED].

I later impounded Officer Cornejo's handgun, magazines, and ammunition into the NCPD evidence locker. Detective Fernando completed a request to have the [REDACTED] checked for functionality at the San Diego Sheriff's Department crime laboratory.

Detective Zeferino spoke in detail with [REDACTED]. [REDACTED] told Detective Zeferino that Leos held [REDACTED] against [REDACTED] will. Refer to the supplemental report by Detective Zeferino for details concerning [REDACTED] statement.

**STATEMENT OF SUSPECT JESUS LEOS**

On 04-16-15, at approximately 1835 hours, Detective Zeferino and I spoke with Jesus Leos at Scripps Hospital in Hillcrest.

I read Leos the Miranda Warning. Leos answered, "Yes" or "Yes Sir" to understanding his rights. I asked Leos, "Having your rights in mind do you want to tell me your side of the story of what happened today?" Leos replied, "Yes. I do."

Leos expressed a great deal of concern for the physical state of Officer McGough. Leos did not know if Officer McGough was dead or alive.

Leos signed a consent form authorizing NCPD to search his mobile telephones. He also signed a consent form authorizing NCPD to access his medical records.

**STATEMENT OF JESUS LEOS:**

Leos was with his girlfriend, [REDACTED] and [REDACTED]. Leos has known [REDACTED] for several months. They were in the process of looking for a place to stay, but in the meantime were sleeping in the truck. They had been living out of the truck for approximately one week. The area where Leos parked the truck was "closed off" and in a "secluded area." Leos is familiar with the area because he grew up in Lincoln Acres.

At approximately 0800 hours, Leos was approached by two officers. Leos was stoned and was surprised by the officers. One of the officers was white and the other was Hispanic. The white officer stood at the driver's side door and the Hispanic officer stood near the passenger's side door. The officers stood close to the truck, maybe a foot away at the most. Leos was seated in the driver's seat, [REDACTED] was seated in the front passenger's seat, and [REDACTED] was laying down in the back seat. [REDACTED] seat was reclined.

One of the officers said, "Hello. How are you doing?" The officer then began to question Leos about why he was in the alley and explained dispatch received a complaint from neighbors in the area. As the officer spoke, Leos was trying to conceal a marijuana pipe in the door compartment. Leos believed the officer noticed what he was doing. Leos told the officers he didn't have a place to stay so he had been sleeping in the parked truck.

The first thing Leos thought of was his children. He also thought about how he didn't want to go back to jail. Leos hates jail so another one of his first initial thoughts was about running away from the police. Leos was panicking and his mind was racing.

Leos gave the officers his name. He knew he was going to jail because he had warrants. Dispatch gave the officers a code. As soon as dispatch gave the officers the code, the Hispanic officer drew his weapon.

Leos panicked and grabbed the steering wheel. One of the officers said, "Whoa! Hey, no, hey! Stop motherfucker or I'm going to blow your fucking head off." Leos did not stop after heard the commands because he was scared and wanted to get away.

The white officer pulled out his weapon, aimed it at Leos, and then put the weapon away. The same officer pulled out his [REDACTED] and aimed it. Leos started the ignition, put the truck in reverse, and began to back up. Leos saw the white officer wasn't near the truck so he thought it was an opportune time to "take off." The white officer tazed Leos and grabbed the truck. Leos "floored it." The white officer opened the driver's side door when he saw Leos was getting away. Leos remembers the officer hitting the ground back first. The door of the truck is what flung the officer to the ground. Leos thought to himself, "What the hell am I doing? Did I just kill this guy?" Leos saw the officer on the ground and thought he ran him over.

At about this point, Leos was shot in his arm. Leos only remembers hearing one gunshot. Leos fell out of the truck as he was backing up. Leos got back into the truck and continued driving in reverse. He then drove through a fence which bordered a church parking lot. Leos drove through the church parking lot toward Granger Avenue. Leos turned on Fenton place and drove through a second fence. He parked the truck and ran away, leaving [REDACTED] and [REDACTED] behind. Leos ran south and ended up in a cemetery. His arm was dangling. He kept falling and broke a rib. The whole time Leos was thinking, "What the hell am I doing?" Leos knows if he would have stopped the officer would not have had to shoot.

While Leos was hiding in the cemetery, he heard helicopters and was losing a lot of blood. When the officers found Leos he was happy because he was dying.

When the bag of bullets found at the scene was described to Leos he said the bag belonged to his [REDACTED]. Leos admitted however his fingerprints would be found on one of the bullets. Leos speculated the bag of bullets fell out of the truck at some time. Leos then became vague and evasive as the questioning about the bullets continued. Initially Leos said his [REDACTED] put the bullets in the truck. Later, Leos said he didn't remember how the bullets got into the truck because he smokes "crystal." Then, Leos said he himself put the bullets in the truck after his [REDACTED], [REDACTED], gave them to him.

The truck Leos had been driving was given to him by a "homie." Leos told the "homie" who he knows from a neighboring gang, that he didn't have a place to stay and needed to use it. Leos had been driving the truck for a couple of days and did not get pulled over by the police. Leos thought the truck might have been stolen.

Leos refuted the statements [REDACTED] gave about being held against [REDACTED] will.

Leos apologized to Officer McGough.

[REDACTED] THREATS

On 04-17-15, [REDACTED] told Detective Zeferino [REDACTED] was receiving threatening text messages. Detective Zeferino worked with [REDACTED] on a relocation strategy. [REDACTED] ended up not cooperating with Detective Zeferino and said [REDACTED] did not want to testify in court. Refer to the supplemental report by Detective Zeferino for details concerning the threats and response to the threats.

INVESTIGATION CONTINUED

On 04-20-15, I was notified by Detective Di Zinno that channel 8 video of Leos being taken into custody was ready for pickup at the news station. I drove there and obtained the video which had been prepared by News Director Dean Elwood. I later impounded the disk containing the video into the NCPD evidence locker.

On 04-21-15, Detective Springer and CSS Flores processed the Silverado, which had been towed to NCPD on 04-16. Inside the Silverado Detective Springer located the identification of Leos. The identification consisted of a social security card. Detective Springer also downloaded Officer McGough's [REDACTED] information. Refer to the supplemental report by Detective Springer for details.

I spoke over the telephone with Paramedics Cantrell and Hluz. Cantrell and Hluz drove Leos from scene three to the hospital. Neither Cantrell nor Hluz noticed any injury on Leos from being tased.

**FOLLOW UP INTERVIEW OF OFFICER CORNEJO**

On 04-23-15, I received a telephone call from Officer Cornejo's representative, Attorney Amy Gordon. Attorney Gordon told me Officer Cornejo wished to add to his statement.

On 04-28-15 at approximately 0913 hours, Officer Cornejo met with me at NCPD. He was accompanied by Attorney Gordon. Detective Fernando assisted me with the interview.

**STATEMENT OF OFFICER CORNEJO:**

Officer Cornejo remembered hearing Leos screaming, "I'm not going back. There's no way I'm going back." After Leos said this, he tried to roll up the driver's side and passenger's side window. Officer Cornejo grabbed the passenger's side window and prevented it from going up.

Officer Cornejo can't recall exactly how far away he was when the truck started driving toward him. Officer Cornejo estimated the truck was no more than five or ten feet away before it began moving forward.

After Officer Cornejo fired his last shot, he saw Leos' body partially emerge from the vehicle. Specifically, Officer Cornejo saw Leos' left foot dangling from the truck.

Officer Cornejo had nothing further to add.

PRIMARY CODE SECTION PC 187*664*664 - ATTEMPTED MURDER/DEGREE UNSPECIFIED						
ADDITIONAL CODE SECTION(S) PC 245C - ADW on a Peace Officer/Firefighter - not with a firearm; PC 69 - OBSTRUCT/RESIST EXEC OFFICER						
LOCATION OF INCIDENT, CITY STATE ZIP [REDACTED] E 16TH ST, NATIONAL CITY, CA 91950 (Occurred off dirt road 2700 East 17th Street)						

### SYNOPSIS:

National City Police Officers contacted JESUS GUSTAVO LEOS (022585) inside a Chevrolet pickup truck, trespassing, while parked in the southern portion of the property located at [REDACTED] East 16<sup>th</sup> Street. At the time officers contacted LEOS, a routine computer check for wants and warrants revealed he had two active felony arrest warrants and was considered to be armed and dangerous. LEOS resisted officers as they were trying to detain him. LEOS placed the truck in reverse and struck Officer McGough knocking him to the ground. Several shots were fired at LEOS by Officer Cornejo as LEOS dragged Officer McGough with the vehicle along the ground.

After a search, LEOS was located in the northwest section of the La Vista Memorial Cemetery 3191 Orange Street. He sustained a gunshot wound to his right arm and was transported to Mercy trauma center via AMR unit #416.

### ORIGIN:

On Thursday, April 16, 2015, at about 0751 hours, Officer Cornejo #427 and McGough #448 were dispatched to investigate reports of a person or persons sleeping inside a vehicle located to the rear of [REDACTED] East 16<sup>th</sup> Street (actually accessed off 2700 E. 17<sup>th</sup> St). Officers arrived on scene at about 0825 hours.

### INVESTIGATION:

At the time the officers were dispatched to this radio call, I was at the police station preparing to respond to another radio call. I monitored radio transmissions between National City Police communications and officers on scene that the male they had contacted (Jesus Leos 02/25/85) was armed and dangerous and had active felony warrants for his arrest. Officer Cornejo requested additional units/officers respond to assist them, at about 0831 hours. It appeared to me there was great urgency in Officer Cornejo's voice. Shortly afterwards, at approximately the same time, (0831 hours), Officer Cornejo radioed that gunshots had been fired and that an officer was down.

As I was responded to the scene [REDACTED], I heard Officer Cornejo broadcast the suspect was a Hispanic male with tattoos who had fled in a black pickup truck. He radioed further the male was accompanied by a Hispanic [REDACTED] and small [REDACTED]. Cornejo also transmitted the suspect vehicle had driven south from the scene and would not be able to travel too far due to the truck now having a flat tire.

As I was responding to the area, other responding officers were checking the area south of the scene in attempt to locate the suspect. I heard multiple officers responding to the area where the suspect was last seen so I continued to respond to the scene of the officer involved shooting.

I arrived and found both Officer Cornejo and Officer McGough at the foot of what seemed to be a dirt driveway/pathway that leads from 2600 East 17<sup>th</sup> Street to the rear [REDACTED] East 16<sup>th</sup> Street. As I arrived, I saw Officer McGough seated on an embankment (east side of the driveway) and Cornejo standing over him. I approached the two, and I noticed that McGough's uniform was disheveled and he appeared disoriented.

Officer Cornejo told me he discharged his firearm at the suspect as he was dragging Officer McGough with his vehicle. I spoke with Officer Cornejo and obtained a public safety statement as to what occurred prior to him discharging his duty handgun. Cornejo told me the following:

REPORTING OFFICER Wilkins	ID# 358	DIVISION	APPROVED BY Smith	ID# 334	DATE AND TIME OF REPORT 04/17/2015 07:35
------------------------------	------------	----------	----------------------	------------	---

INCIDENT NUMBER	SAN DIEGO REGIONAL OFFICER'S REPORT NARRATIVE				PAGE 6 OF 7	CASE NUMBER 1502213
CONTINUED FROM ARR/JUV. CON.	BEAT 23	DISTRICT	DATE 04/16/2015		DAY OF WEEK Thu	TIME 18:35
PRIMARY CODE SECTION PC 187*664 - ATTEMPTED MURDER/DEGREE UNSPECIFIED						
ADDITIONAL CODE SECTION(S) PC 245C - ADW on a Peace Officer/Firefighter - not with a firearm; PC 69 - OBSTRUCT/RESIST EXEC OFFICER						
LOCATION OF INCIDENT, CITY STATE ZIP E 16TH ST, NATIONAL CITY, CA 91950 (Occurred off dirt road 2700 East 17th Street)						

*At the time Officer McGough contacted LEOS and attempted to detain him, LEOS started the ignition of the truck and placed the vehicle in reverse. McGough [REDACTED] his [REDACTED] and LEOS continued to back out knocking McGough to the ground. This prompted Cornejo to fire [REDACTED] in southern direction causing the [REDACTED] (passenger side) [REDACTED]. Seeing that McGough was now being drug by LEOS, Cornejo fired [REDACTED] to [REDACTED] rounds at LEOS as the suspect backed out and fled the scene by heading east and then south.*

At about 0836 hours, Officer Stevens located the Chevrolet Silverado that was driven by LEOS in the yard of [REDACTED] Fenton Place. The Chevy truck vehicle identification number [REDACTED] was reported stolen to San Diego Sheriff's on February 10, 2015 (via case # [REDACTED]).

At about 0843 hours, National City Fire Engine #31 and AMR Unit #495 arrived on scene to assess Officer McGough's injuries. Investigations Lieutenant Rounds arrived on scene at about this same time. Paramedics removed Officer McGough's uniform shirt, duty vest and gun belt to further evaluate his injuries. I took custody of these items and later returned them to McGough with the exception of his uniform shirt. I noticed a dirt pattern on the chest and rear right shoulder of his uniform. Using my digital cell phone camera I took approximately 10 pictures of Officer McGough and his injuries. Seven (the best of 10) of these photographs were printed and impounded as evidence.

Officer McGough was transported Kaiser Permanente via AMR Unit #495. Sergeants P. Bull and M. Smith arrived on scene at about 0902 hours. Sergeant Smith transported Officer Cornejo to the station. LEOS was admonished of his Miranda rights by Detective Depascale at about 1835 hours, on April 16, 2015. For further details please refer to the investigative reports from Detectives DePascale and Zeferino. Witness statements were obtained by Officers Ramirez, Adams, Sakamoto, and Stevens. For further details, please refer to their reports.

At this time, I was able to apply crime scene tape around the interior crime scene as told to me by Officer Cornejo. Detectives Depascale, Ballardo, Gonzalez along with Lieutenant Fifield arrived on scene at about 0932 hours. At about 0942 hours, I briefed National City Police Detectives on the information I had received from Officer Cornejo.

Detective Ballardo conducted a follow up interview at [REDACTED] regarding the initial call of the suspicious vehicle. Ballardo was given a tan tactical type canvas bag that contained a box of 50 unexpended 357 Magnum ammunition. According to Ballardo, this bag with ammunition was found the day prior in the same spot LEOS was parked when contacted by NCPD officers on April 16, 2015.

From 0952 hours until 1010 hours, I monitored the persons who entered or left the crime scene. From this time, personnel who entered the scene were Detective Gonzales, Officer S. Gil and Property Evidence Specialist A. Flores. The eastern end of the crime scene was secured and monitored by Officer Taylor.

**DETECTIVE'S SUPPLEMENTAL**

On 5/8/15, at about 10:26 hours, I spoke with Officer McGough at NCPD. Officer McGough gave me copies of medical records from two different doctor visits (5/6/15 and 5/8/15) in reference to the injuries that he sustained from being dragged by the truck. I impounded these documents at NCPD for evidence with property tag# 10100857.

### Supplemental Report

On May 7, 2015, at approximately 0900 hours, Detective Fernando requested that I obtained major case prints and mouth swab from Officer J. McGough.

Officer McGough came to the Property and Evidence crime lab and I obtained major case prints and two mouth swabs.

At approximately, 0930 hours, I completed my assigned and impounded the evidence into the Property and Evidence Unit.

### Supplemental Report

On April 16, 2015, at approximately 0910 hours, Lieutenant Rounds notified me via telephone to respond to process a crime scene on an officer involved shooting that just occurred at 2700 East 17<sup>th</sup> street in National City. I arrived at the crime scene at approximately 0929 hours, and met with Detective Depascale. He briefed me on the incident and also did a walk-through of the crime scene. Detective Depascale also told me that Detective R.Gonzales would be assisting me in processing the crime scene.

I started documenting the crime scene by taking overall photographs. Then Detective R.Gonzales and I began to search for evidence and located spent casings, a projectile, a [REDACTED] field interview booklet and a sandal. I then brought the Garrett Investigator G500 metal detector and Detective Gonzales and I searched the area for any additional casings, none were located. I then placed evidence markers on the evidence that was being collected. After all the evidence markers were in place, I took additional overall and close-up photos of the crime scene and evidence.

Detective R.Gonzales and Detective Ballardo obtained the measurement of the scene and location of the evidence. After they completed there measurements, I started to collect all the evidence (see evidence list for details).

At approximately 1340 hours, I completed processing the crime scene. I transported and impounded all the evidence to the NCPD Property and Evidence Unit. Prior to impounding, I took photos of all the evidence.

## OFFICER'S SUPPLEMENTAL REPORT

### ORIGIN:

On April 16, 2015 at about 0751 hours, Officer Cornejo and Officer McGough were assigned to investigate a citizen's report of a suspicious vehicle that was parked and occupied to the rear of [REDACTED] East 16<sup>th</sup> Street in National City.

### INVESTIGATION:

I was the on-duty patrol supervisor on April 16, 2015 at about 0751 hours.

I was inside the Sergeants Office at the police department when I heard Officer Cornejo say something similar to, "...we need more units." Officer Cornejo's voice sounded stressful and urgent. Within seconds of the first broadcast, I heard Officer Cornejo say something similar to, "...shots fired...officer down."

I responded [REDACTED] to the scene. While I was still en route to the scene, I heard an officer advise over the radio that he had found the suspect's vehicle stopped on Fenton Place. Corporal Wilkins arrived at the scene of the officer involved shooting (OIS), which was located off the dirt road to the rear and south of [REDACTED] East 16<sup>th</sup> Street. I told Corporal Wilkins that he was responsible for supervising the scene of the OIS while I diverted and responded to Fenton Place to supervise that scene in the unlikely event the pending arrest of the suspect became a stand-off or shootout. The officers advised that the suspect vehicle was unoccupied and that bloodstains were found inside the passenger compartment. The officers established a perimeter and initiated a thorough and coordinated search for the suspect.

I eventually arrived at the scene of the OIS at about 0842 hours; the time of arrival was obtained from the CAD Incident Report.

Corporal Wilkins, Officer McGough and Officer Cornejo were the only law enforcement personnel present at the scene of the OIS. Officer McGough and Officer Cornejo appeared as though they had been involved in a stressful and violent incident. Officer McGough was sitting down on something. Officer McGough's uniform was dirty and he had abrasions on both forearms. Officer Cornejo was standing and appeared to be uninjured.

Officer Cornejo told me the following: Officer Cornejo and Officer McGough were assigned to investigate a suspicious vehicle that was parked off the dirt road to the rear of the reporting party's residence. (*The dirt road is commonly referred to as East 17<sup>th</sup> Street.*) An adult male, an adult [REDACTED] and a small [REDACTED] were inside the vehicle. Officer Cornejo and Officer McGough contacted the male, who was the driver of the vehicle. The male became "hinky" when he heard the dispatcher advised that there was a felony arrest warrant for the male subject. Officer Cornejo and Officer McGough attempted to remove the male from the vehicle. The male managed to start the engine of the vehicle. Officer McGough discharged his [REDACTED] ("[REDACTED]") at the male. Officer McGough was standing between the opened door and the side of the vehicle. The male backed up the vehicle toward the dirt road. Officer McGough was dragged on the ground alongside the vehicle for approximately twenty to thirty yards. Officer Cornejo discharged his handgun at the tire(s) of the suspect vehicle for the purpose of flattening them. The

male continued backing up the vehicle. Officer Cornejo discharged his handgun at the male to prevent Officer McGough from being seriously injured. Officer McGough was freed from the vehicle as the male backed onto the dirt road. The male drove forward, stopped and backed up. Officer Cornejo discharged his handgun into the passenger compartment of the suspect vehicle because he believed the male was backing up to assault them. The male drove in an easterly direction on the dirt road. The male drove in a southerly direction from the dirt road. The male drove through a chain-link fence of a nearby church. The male continued in a southerly direction through the property of the church and exited onto East 18<sup>th</sup> Street.

Officer Cornejo was subsequently transported to the police department.

Officer McGough was transported to Kaiser Permanente's San Diego Medical Center on Zion Avenue in San Diego.

Corporal Wilkins and I remained at the scene of the OIS and briefed the responding detectives.

### INVESTIGATIONS SUPPLEMENTAL REPORT

On 04/16/15, the NCPD Investigations Division responded to the 2700 block of E. 17<sup>th</sup> Street in National City to assist with an officer involved shooting. Detective Springer and I were assigned to process the scene (Scene #2) where the suspect's vehicle was abandoned. The suspect's vehicle was located parked in the backyard of [REDACTED] Fenton Place in National City. The suspect (later identified as Jesus Gustavo Leos) had driven the vehicle though a locked chain linked fence causing severe damage to the fence and he ultimately abandoned the vehicle on the northeast side of the property directly behind a camper. A vehicle check determined the vehicle had been reported stolen on 02/10/15. I spoke with the residents at [REDACTED] and [REDACTED] [REDACTED] and obtained their statements. I also contacted the registered owner of the stolen vehicle, [REDACTED] and obtained his statement. I completed a sketch of the scene and later impounded the sketch at NCDP as evidence (refer to sketch for details).

#### STATEMENTS:

##### [REDACTED] (Witness):

[REDACTED] stated [REDACTED] was sleeping when the incident occurred and did not hear or see anything. [REDACTED] stated [REDACTED] did not give anyone permission to park or leave the abandoned vehicle on the property. [REDACTED] also stated [REDACTED] did not know the occupants of the abandoned vehicle.

##### [REDACTED] (Witness):

[REDACTED] stated he was asleep when he suddenly heard what appeared to be the sound of tires screeching just outside the house. [REDACTED] did not think much of it and went back to sleep. [REDACTED] did not know the occupants of the vehicle and had never seen the vehicle before.

##### [REDACTED] (Witness):

[REDACTED] stated he bought a 2007 Chevrolet Silverado bearing VIN # [REDACTED] on 02/09/15. [REDACTED] stated he parked his vehicle in front of his house and only had the vehicle for approximately 12 hours before it was stolen. [REDACTED] filed a stolen vehicle report with the San Diego Sheriff's Office (report case [REDACTED]) on 02/10/15. [REDACTED] stated he had placed an extra set of keys inside a tool bag that was located behind the driver's seat. I showed [REDACTED] a photograph of Leos. [REDACTED] stated he did not know Leos and did not give him permission to drive his vehicle.

### Supplemental Report

On April 21, 2015, at approximately 0938 hours, Detective Springer and I processed the following vehicle for evidence. I photographed, swabbed for DNA, fingerprinted and collected any evidence located in the vehicle. The vehicle was 2007 Chevrolet Silverado pick-up truck bearing VIN # [REDACTED]

The vehicle was originally towed on April 16, 2015, by Road One towing and taken to the National City Police Department underground garage and parked inside a secured vehicle cage. The vehicle was followed and secured by Detective Springer.

Detective Springer had informed me that he already had taken photos of the exterior and interior of the vehicle. Springer requested photos of the interior, underneath the seats, the bed of the truck, and any evidence that was located inside.

I took photographs of the interior and bed of truck and evidence that was collected. I then obtained swabs from the following areas: interior driver's side door, interior driver's seat, center console, steering wheel, gear handle and driver's door window lip.

I then processed the interior and exterior driver's door window, using bi-chromatic fingerprint powder and developed (3) latent print cards.

Finally, Detective Springer searched the bed of the truck and located a social security card with Jesus Gustavo Leos' name on it. We both searched the interior front driver and passenger and rear passenger cabin and collected several items of evidence (see evidence list for details and location found).

At approximately 1115 hours, Springer and I completed processing the vehicle.

Prior to impounding all the evidence, I took photographs of all the physical evidence and obtained swabs from the sandal and I-phone.

Once I completed my assignment, I sealed the evidence and wrote my initials, ID # and date on the outside packaging.

**DETECTIVE'S SUPPLEMENTAL:**

On 4/23/15, at about 0815 hours, I spoke with Officer McGough at NCPD. Officer McGough told me that he went back to the doctor for a follow up visit reference the injuries that he sustained from being dragged by the truck. Officer McGough told me that he was very uncomfortable and felt pressure on the back of his neck whenever he stood up or was in the sitting position. Officer McGough was given a [REDACTED] medications.

Officer McGough provided me with a document from Dr. [REDACTED] dated 4/20/15. The document stated that Officer McGough should limit his activity to "Modified Activity" and should not lift/carry/push/pull no more than 10 pounds. I made a copy of this document and later impounded it for evidence at NCPD with property tag# I0100841.

On 4/28/15, at about 0913 hours, Detective Depascale and I met with Officer Cornejo and his attorney, Amy Gordon at the NCPD Detective Conference Room. Officer Cornejo provided us with additional information that he wanted included with his statement. For details of the statement, refer to the Supplemental Report by Detective Depascale. Detective Depascale and I recorded the interview on two different audio recorders. I later downloaded both recordings and saved them to a CD Rom. I impounded the CD Rom at NCPD with property tag# I0100840.

**END OF REPORT.**

### DETECTIVE'S SUPPLEMENTAL REPORT

#### INVESTIGATION:

On April 16, 2015, at about 0841 hours, Sergeant Smith notified me via telephone that an officer had been injured and possibly had been involved in a shooting at 2700 E. 17<sup>th</sup> Street. Sergeant Smith requested that I return to National City and assist with the investigation. I returned to NCPD and met with Sergeant Smith and Officer Cornejo. Sergeant Smith requested that I photograph Officer Cornejo, who was wearing his police uniform. I photographed Officer Cornejo inside the Investigations Division. Afterward, I spoke with Detective Depascale, who requested that I respond to 2900 Fenton Place in order to secure and process the suspect vehicle crime scene at that location with Detective Garcia.

Detective Garcia and I arrived at the same time. Detective Garcia posted crime scene tape across the opened/damaged chain-link gate near the entrance of the mostly empty parcel of land between [REDACTED] and [REDACTED] Fenton Place. Officer Phillips Sr. had parked his patrol vehicle several feet away from the abandoned suspect vehicle – a blue colored, 2007 Chevrolet Silverado. I met with Officer Phillips Sr., who told me that he had conducted a preliminary search of the suspect's vehicle in order to look for a firearm. Officer Phillips Sr. told me that he opened the suspect vehicle doors during his investigative search. He said he did not find any firearms, but had found a broken glass pipe used for smoking methamphetamine inside the truck. Officer Phillips Sr. told me that he placed the glass pipe on the Chevrolet's hood.

I photographed the overall area of the crime scene, which began at the damaged chain-link gate located on the south side of the roadway in the 2500 block of Fenton Place to the perimeter fence located on the southern-most section of this scene.

#### SUSPECT VEHICLE CRIME SCENE LOCATION:

Fenton Place is a westbound/eastbound roadway in National City that begins at Granger Avenue and extends westbound until it terminates into a cul-de-sac. The area of this scene was located on an unoccupied parcel of property on the south side of the roadway in the 2500 block of Fenton Place. The unoccupied parcel of property is located between [REDACTED] Fenton Place on the east and [REDACTED] Fenton Place on the west. The driveway that leads onto the unoccupied parcel of property had a damaged chain link fenced gate near the roadway. The gate appeared to have been recently damaged/opened due to the current shape/form of the gate. The unoccupied parcel of property had a manmade fence that extends completely around the property. The property located at [REDACTED] Fenton Avenue occupied part of the crime scene along the southeast perimeter. There was also a shed, a van covered by a tarp, and trailer located to the south [REDACTED] Fenton Avenue – which was also accessible from the unoccupied parcel of property. The stolen 2007 Chevrolet Silverado was found parked on the south side of the trailer located at the far southeast section of the unoccupied parcel of property. The stolen truck was not visible from the roadway on Fenton Place.

The vehicle's doors were all open upon my arrival on scene. The vehicle did not have a license plate mounted on the front or back. The back license mount location had a paper plate "Team KIA El Cajon." The vehicle's bed had a blanket over numerous miscellaneous items that were stored underneath it. The vehicle's front passenger tire was damaged and flattened (all other tires were inflated). The vehicle's exterior had minimal damage – minor scrapes

only. The aftermarket steel bumper carriage mounted to the front of the vehicle also had minor damage – minor scrapes.

The vehicle had two front doors and two rear half doors – all capable of opening to allow passengers into the vehicle. The vehicle's interior cabin area consisted of two front bucket-style seats (driver and passenger) and a rear bench seat. There were red spatter stains on the driver's interior door. There was a black Nike style sandal and a glass perfume style bottle on the driver's floorboard. The driver's seat had a large amount of red stains on it – especially close to the middle console stationed between the driver's seat and front passenger's seat. The middle console had a large amount of red stains on it. There was a diaper on the driver's seat near the middle console that contained a significant amount of red stains as well.

There was a Chevrolet key in the vehicle's ignition. There was a key-fob attached to the key ring. The passenger seat had some clothing and female style purses on it. It also had a black folded men's style wallet on it. There were some miscellaneous items on the passenger floorboard as well. The vehicle's back seat had some blankets, clothing, and children's toys on it. The rear passenger floorboard had some bags and other items on it as well. The items inside the vehicle were not searched, moved or inventoried while the vehicle was at the scene (with the exception of Officer Phillips Sr.'s search). I did not locate any visible impact marks, rounds, fragments, or projectiles on the vehicle's interior or exterior.

I measured the distance of the vehicle to the east and south perimeter fences. The front passenger tire measured 32'8" to the south perimeter chain link fence. The rear passenger tire measured 34'3" to the south perimeter chain link fence. The front passenger tire measured 14' to the east perimeter chain link fence. The rear passenger tire measured 26'2" to the east perimeter chain link fence.

There were several fresh, red stains on the south perimeter chain link fence directly south of the Chevrolet's location. I did not locate any other evidence at this scene.

#### INVESTIGATION CONT'D:

During this investigation, Officer Sakamoto relayed information that there was a possible blood trail leaving the property located at 2635 Ridgeway Drive. That address was located directly to the south of the scene containing the Chevrolet. The red stains on the south perimeter fence infer the suspect may have scaled over the fence and fled from this scene through the backyard of 2635 Ridgeway Drive. I used two sterile swabs in order to collect samples of the red stains. The first sample was taken from the top of the fence where there were several red stains and smudges. The second sample was taken from one of the chain links found directly below the above described stains. There were other stains on a piece of wood and a bag on the ground (below the other described stains) as well.

Detective Garcia and I searched the entire area of this scene. Other than what was previously described, no further evidence was located. Detective Garcia and I remained on scene until Road One Towing arrived and subsequently removed the Chevrolet from the scene. I used my digital recorder to record the scene as Road One Towing was in the process of removing the Chevrolet. I followed Road One Towing and the Chevrolet to NCPD where it was secured in the secured Property & Evidence vehicle bay. Refer to Detective Garcia's Supplemental Report for further details regarding this crime scene.

REPORTING OFFICER Springer	ID# 389	DIVISION	APPROVED BY Smith	ID# 334	DATE AND TIME OF REPORT 04/17/2015 08:39

ADDITIONAL CODE SECTION(S)						
LOCATION OF INCIDENT, CITY STATE ZIP 2700 E 17TH ST, NATIONAL CITY, CA 91950						

While at NCPD, I transferred the digital photographs and video to a CD-R disc and impounded them, along with the DNA swabs, into the NCPD Property & Evidence station.

On April 17, 2015, I took photographs of the crime scene areas while flying above National City in the San Diego Sheriff's Department helicopter (ASTREA). I subsequently transferred those photographs to a DVD-R disc and impounded it into the NCPD Property & Evidence station.

On April 21, 2015, Property & Evidence Specialist Flores and I processed the Chevrolet for evidence. I assisted Flores, by helping her search the vehicle for evidence. Flores immediately took custody of all of the evidence found during the search. I searched the bed of the truck and located a social security card with Jesus Gustavo Leos' name on it inside of a black wallet in the bed of the truck. The black wallet was inside of a box containing miscellaneous items. Flores and I both searched the passenger cabin of the vehicle together and found all of the evidence inside of it together. Refer to Flores' Supplemental Report for details regarding the evidence located in the passenger compartment of the vehicle.

I also obtained Officer McGough's [REDACTED] from Flores in order to download (sync) the data from it. According to the data printout, Officer McGough's [REDACTED] trigger was fired on April 16, 2015 at 09:25:27. The event's duration was for 5 seconds. The temperature of the unit was 25 degrees Celsius, and the remaining battery charge was listed at 93 percent. There were no other events for his [REDACTED] on that particular date. At the end of the report, it showed the "Sync" time as April 21, 2015 at 14:49:14 hours. The printout also indicated that the timestamp on Officer McGough's [REDACTED] was April 21, 2015 at 15:43:54 hours. This suggests that the timestamp on Officer McGough's [REDACTED] was approximately one hour and six minutes ahead of the current Pacific Standard Time. I impounded a copy of the [REDACTED] printout ([REDACTED]) into the NCPD Property & Evidence station. Once I completed the download, I resealed and returned the [REDACTED] to Flores.

On April 22, 2015, I spoke to Detective Depascale about some of the items inside the truck that were not collected as evidence during the initial inventory. At that time, we both agreed that I should return to the Chevrolet and collect the blue smoking pipe from the middle console between the driver and passenger seats. I returned to the Chevrolet and collected the glass pipe, along with the key (and key fob) from the ignition as evidence. Afterward, Road One Towing took custody of the Chevrolet and was given instructions to store it inside of a secure facility due to it being evidence.

#### EVIDENCE:

TAG #	DESCRIPTION
I0100672	DNA swab # 1 (top of fence)
I0100673	DNA swab # 2 (chain link below # 1)
I0097993	CD-R disc w/ photographs of scene with suspect vehicle
I0097994	CD-R disc w/ audio/video of scene with suspect vehicle
I0100781	Blue smoking pipe
I0100782	Chevrolet key and alarm/key fob
I0100814	DVD-R disc w/ ASTREA photographs
I0100815	Officer McGough's TASER data printout
